The Dimmer VIEW

By MAX GOODWIN

I hope you visited one of your schools during Public Schools Week.

Those of us who did, I am certain, came away rededicated to a continuing faith in our teachers, their sincerity of purpose in the training of our school children.

During the "Week" the Masonic Annual Awards Dinner attracted nearly 200 diners and guests. Dr. Calvin Nicholl capably handled a short-speech and V.L.M. Principal Clarence Allen, competently m.c.'d the affair. Edward Lebb, Janice Fukishma, Lucinda Danielson, Douglas Martin and Diana Rank each won top awards.

OPEN HOUSE

We visited San Miguel PS for their open house. They had displays of students work in each of the rooms .First grade's Mrs. Louise Trimmer, whom we visited, looked a little weary as well she might after an 8 a.m. to 9 p.m. day. Ben Schei, the principal, surrounded by a ring of parents in the auditorium, looked tired, as each of us might if we had to face a room full of youngsters all day—and their papas and mamas all evening. But it was a sort of pleased tiredness —such as your own mother might have after she has cooked up a satisfying meal for her brood and had finished washing dishes at the end of Mother's Day.

INVASION

Earlier in the week our newspaper office was invaded by Mrs. Nancy Seiler and sixteen youths of her 8th grade English Class. Nancy is our public school's answer to Marilyn Monroe except she's brunette. She brought her charges for a tour of our plant. Public schools and free press sort of go hand in hand. I could have done a better job in my lecture to the boys if she had not been wearing such well-fitting knit dress. I kept thinking of my eighth grade teacher — a woman of sixty and buxom to boot.

TOMORROW

Never mind the history. It's the future we're looking at and toward that end I asked the group how many wanted to be reporters. Not one raised his hand. One asked, however, how much the job paid. I asked then "who is going to be an engineer?" Fifteen hands went up. We need good reporters in the newspaper profession, but we have become victims of propaganda in our own columns . . . . i.e. the need for engineers . . . all of which is real but we failed to put in a plug for ourselves.

SCIENCE

I then visited, later in the week, the Science Fair at Golden Avenue School. Mrs. Evelyn Lauritzen tok me on a tour of

CD MEET SET FOR SUNDAY

Admiral Robert Rogers and "Skip" Heidick spoke on the importance of an effective welfare organization at the Civil Defense meeting recently at Education Center. Mrs. Burton Snyder, Chief of Welfare section and Mrs. J. H. Woody will hold a meeting at Leewood Recreation Hall, Trailer Court, 7150 Broadway, Sunday at 2 p.m. Persons interested in welfare phase of Civil Defense invited to attend.

BUDGETS ARE RECORDBUSTERS

City Tax Rate To Rise, County Rate To Stand

Possibility of a 12% increase in the tax rate of the City of San Diego is seen by city officials as the result of a record city budget of $43,792,055.00.

The county tax rate will not be affected and will remain at $1.99 per $100 assessed valuation although re-assessment teams have been working in the east county area which may mean higher assessment rates for most property owners.

San Diego city manager O. W. Campbell estimated that the new budget would call for a tax rate of $1.83. Present rate is $1.63.

County budget of $54,958,070.00 submitted to County Board of Supervisors by T. M. Heggland, chief county administrator officer is preliminary and covers money needed to pay for county expenses for the fiscal year 1957-58 starting July 1st, 1957.

Usually, the board of supervisors trim down the preliminary budget. Heggland's preliminary budget cut four and a half million dollars from a summary of budget requests filed last month by the county auditors office but it is still two and a half million dollars higher than the current budget. Difference will come from increased assessments, other increased revenues and some existing surplus funds.

Gerard Renamed CAC Head

Grossmont High School's Citizens' Advisory Committee re-elected Arch Gerard as chairman. Other officers will not be elected until the June meeting when new representatives from civic organizations are present. The Committee also moved to give notice of intent to change the by-laws in order to set up machinery for a nominating committee.

Recommendations to the board of trustees from the subcommittee on college preparatory curriculum study were adopted. They include recommendations for coordinated district curriculum; continued increased emphasis on math, writing, world history, and foreign language; adoption of an honors program; and development of a district wide guidance and counseling program.

Brief reports by the Committees on Junior College and School District Organization were approved.

School Board Absenteeism Charged By Buckner

Harry Warren Buckner, 1744 Englewood Drive, who filed for the upcoming school board seat said this week that he had two primary reasons for making the try.

He said that absenteeism on the part of Bert Betts, incumbent who has filed for re-election, has had harmful effect and that handling of teachers and their problems has left much to be desired.

Buckner, who is group engineer of the digital computing laboratory at Convair, has four children. He has been active in scout and PTA work.

Buckner said "I think our teachers' needs have been neglected. The fact that we offer one of the lowest salary minimums in the county is evidence that we will attract fewer and poorer teachers for one of the fastest growing school districts. This should be corrected."

"Absenteeism from important board meetings is not to be condoned," Buckner said. "If a trustee cannot attend meetings he should relinquish his seat to a capable person who has the time to attend." He said Betts missed many meetings this year.

School election will be held Friday, May 17. One trustee will be selected. Betts, a CPA, was elected to the board for a three year term in 1954 when the then three man board decided to increase the number of trustees to five. Betts garnered the most votes and earned the longest term. Channing Mason got second greatest number was given a two year term and was subsequently re-elected, and Robert Brown, up for re-election that year, got a one year term. He also was re-elected but his present term expires next year as does Bert Cosby's.

Voting places for next week's election will be at each school except Golden Avenue and Junior High will be combined in the cafetorium.

School District May Lose Area

The local school board continues its study of salary proposals and the tentative budget on Monday evening, May 13. An explanation of the building fund budget will be presented by Superintendent Byron Netzley. This includes major improvements needed on existing buildings or sites. It will include also a request for limited cafeteria facilities in the old child care center building at Golden Avenue.

S. K. Solleder will discuss additional teacher needs of Lemon Grove District and the progress of the present recruitment program here. Because of growth and some resignations, more teachers than anticipated will be hired for the fall term.

The board will give consideration to a proposed sub-division annexation to the San Diego City School District. This includes 64 new homes being built on the southern boundary of this school district. In a letter received from the city schools, it was stated that the request had been made for this transfer but that it would require approval first from Lemon Grove.

Mary Guy to Marry Ted Saunders

Mr. and Mrs. Earl T. Guy of 4389 Yale Avenue, La Mesa, announce the approaching marriage of their daughter Mary, to Edward "Ted" Saunders, son of Mr. and Mrs. Cyril Saunders of 2795 Olive Street, Lemon Grove. The wedding is planned for July 14th, at the First Methodist Church of La Mesa.

The bride-elect and groom will both be graduates of Helix High School this June.

Uniforms Fail To Arrive But Helix Takes 2nd In Band Review

Helix Green and Silver Band won the musical performance trophy award Saturday at the National City Maytime Band Review. It was the second time in a row for Helix. Compton High School won the Sweepstakes award. Out of a possible 100 points Helix had 97.9; Compton 98.

The band marched in white sweat shirts and paper butcher uniform supply firm to make delivery in time. Schedule called caps because of failure of the for April 1st delivery. Director was Lawrence Christianson who will be musical director of Mt. Miguel High School when it opens this Fall.

More than 100,000 persons saw the parade which attracted 81 units and lasted 2½ hours.

Lemon Grove Pom Pon girls won third place and so did the Majorettes. It was the first time these groups have ever taken a trophy. The Lemon Grove band earned a Participating Ribbon.

Grove Annexes 500 Acres To FD

San Diego and Chula can look to its annexation laurels because Lemon Grove is off on an annexation spree which includes a 500 acre tract which will ultimately include 1,000 homes. The property owners have petitioned to annex to the Lemon Grove Fire Protection District, V. J. Dorman, counsel for the District announced this week.

The area includes Larwood Subdivision and Angelus Heights in which a total of some 850 homes are scheduled to be built. Most of the area is west and south of the Monterey Heights school.

Inclusion of the area will not increase the district's cost of protection. When the number of new homes become sufficient to justify new equipment and manpower, the tax base will have increased enough to pay for it, Dorman said.

'Golden' Air Show Set For Saturday

Three generations of aircraft will perform in San Diego Saturday in the Air Force salute to America's aviation pioneers.

It will mark the Force's golden anniversary and an aerial parade will include B-17s, B-52s, F-51 and F-102s. The show is free and will coincide with the 9th annual convention of the California Wing of the Air Force Association. Show will start at 9:45 and be over at 11 a.m. and reviewing stands will be in front of the Institute of the Aeronautical Sciences building on Harbor Drive.

Fiesta Fair Dessert-Style Show To Be Professional

Molly Morris fashion editor of radio station KFMB has been selected to be moderator of the Fiesta Fair Dessert Style Show to be held Wednesday June 5 at the Lemon Grove Junior High School Cafetorium.

The event will be a combined effort of Lemon Grove retailers which alone will assure quantity and quality of styles. The show is sponsored by the Grove Boosters, the revitalized Merchants Division Branch of the Chamber of Commerce.

Fashions will be paraded by professional models under the glare of spotlights and to the background strains of live Spanish music. Catering service and professional decorators will lend the affair a personality comparable to any fashion event in San Diego County, sponsors say.

Fiesta del Pacifico which opens in July will be theme and backdrop for the style show. Seymour Francis, representative of the Fiesta organization has offered the use of flags, pennants and posters to help give the affair additional color and flair. He said that the event will gain nationwide publicity in the Fiesta's news releases and that the event would be made a part of official Fiesta promotion.

Tickets sell for $1.25 plus tax and Bob Pulliam, Children's Bootery, 8578 Broadway, is in charge of ticket sales. Other merchants who will sell them will be identified by a replica of the ticket worn on th lapel of their coat.

Barbara Howell, of CP Appliance is head of the Fiesta Committee said tickets will be limited to 400. Co-ordinator of the affair is Patricia Hutchinson of Patricia's Sportswear.

THINGS DOIN' & BREWIN' About Civic Center

By DICK. HENDERSON

An engineering study of possible flood hazards at Edgemoor, the county's hospital for the aged, was recommended by the Supervisor and Grand Jury, a meeting to be arranged between the two bodies.

A letter to the Board from Edward Klenke, grand jury foreman, said the jury's public safety committee has found there is possibility of flood danger in event of heavy rainfall.

Supervisors referred the recommendation to Jean Vicenz' Department for study. Jean said he has been informed that there is a break in the River levy upstream from Edgemoor. Further, he said he had no knowledge of whether there is a flood danger at Edgemoor.

(Prior to building of El Capitan Dam, this reporter has seen flood waters clear across the valley. In about 1894 - 45, the present S.D. — Arizona Railway running to Lakeside was washed out and had to be rebuilt for a mile, between Santee and Lakeside. There was considerable flood damage that season to couunty roads. Authorities at that time were quoted as believing that flood danger was past when El Capitan Dam was built.) There have been no floods, since.

County Welfare Bill Nears Quarter Million Dollars

San Diego County's share of the public welfare program in March totaled $218,350.

Federal and State funds boosted the total expenditures on 20,780 county welfare recipients to $1,337,885.25 for March.

This means an increase of $7,382.63 over the amount spent by three governmental agencies - federal, state and county - in February, and it was $13,721.99 more than the amount spent in March, 1956.

The figures were released by S. D. County Welfare Department.

The county contribues to all seven public welfare programs administered here.

During March, the state contributed $539,212.96 to five of the programs. The federal government gave $580,321.81 to three of the aid programs.

Total March expenditure in San Diego County by all three government agencies included:

Old Age Security—$884,603.15.

Blind Aid—$49,219.40.

Aid to Needy Family Children—$283,403.72.

Aid to Children in Boarding Houses—$39,973.62.

General Home Relief—$57,690.61.

General Relief and Other—$22,904.75.

Area Native, 85, Dies In S. V.

An area native, Mrs. Mary L. Van Derpoel, 85, 3518 S. Cordoba Street, Spring Valley, died Friday. She was a native of Campo.

Survivors include two daughters, Martha E. Wordley of Campo and Margaret Foster of El Cajon; two sons, including Andrew of Harbinson Canyon, and three sisters, including Cora Van Derpoel of El Cajon and Alice Webb of Lemon Grove.

Interment was in Mt. Hope Cemetery.

Work Started On El Cajon Branch Lemon Grove Freeway

The Lemon Grove Freeway will be extended to Chase Avenue in El Cajon and work on it will start immediately. A low bid of $3,594,047 was made by a combination of Golden Construction Co. and Young and Arrieta.

The project calls for a two mile strip from Grossmont Summit, eight lanes of full freeway standard, five bridges, ramps, safety lighting, illuminated signs and fencing. There will be an undercrossing at La Mesa Blvd. and an overcrossing at Fuerte Dr.

Work will be completed in Fall 1958 J. Dekema, District Engineer of the State Division of Highways said. Parallel detours will be constructed before present thoroughfare is disturbed, he said.

When completed, traffic will have freeway advantages to El Cajon Valley (Chase Avenue) from Wabash Freeway. Wabash Freeway, a city project, runs from 32nd and Harbor to University Avenue.

Russell Paul Litchfield Dies At Home

Russell Paul Litchfield, 53, whose home was at 7931 Barton Drive, Montgomery Heights, died Monday.

Born in Indiana, Mr. Litchfield had lived in this area 22 years. Besides his widow, Hazel, he is survived by two brothers, Everett and Walter, in Indiana.

Recitation of the Rosary Thursday at 7:45 p.m. and Mass will be said at 8:15 a.m. Friday at St. John of the Cross Church, Lemon Grove.

Ryan-Sullivan and Woolman are in charge of arrangements.

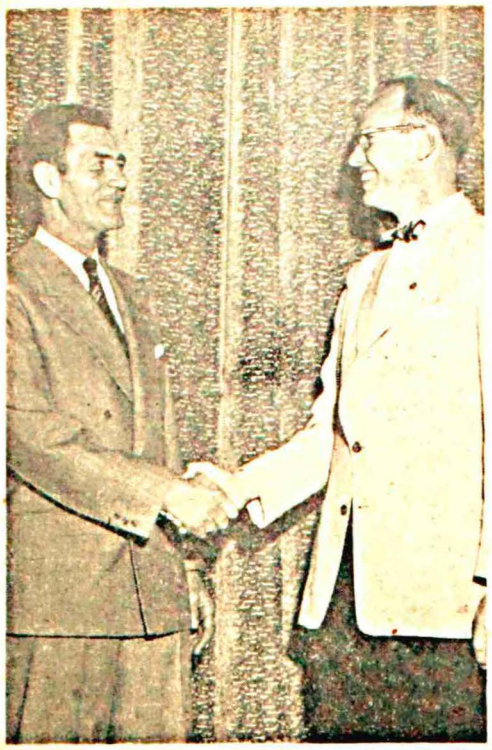
Bob Turnbull To Do Air Force Film

Lemon Grove's two representatives to Hollywood, film capital of the world, are busy as can be! The professional and early pioneer to Filmland, Dennis Hopper, is now on set at Warner's making a World War II movie entitled "Darby's Rangers." Dennis has a featured part that stars Tab Hunter. It's the story of some Army Rangers that get cut of by the Nazi Army at the Anzio landing in Italy. Instead of fighting their way back through to their lines they head north to Rome. Dennis can also be seen in the yet-to-be-released "Gunfight at O.K. Corral," that stars Kirk Douglas and Burt Lancaster.

Bob Turnbull, the amateur and later SmogCity resident, is returning home this weekend as one of the finalists in 20th Century Fox's "Invitation to Stardom" contest they held here recently. Bob entered the contest and was chosen a finalist before he moved to Hollywood. He's also been signed to do an Air Force eory feature-length movie for an independent movie company. Part-time modeling keeps him busy where he is employed by one of the West Coast's top modeling agencies—Rita LaRoy of Beverly Hills. Bob will be doing live and filmed TV commercials.

The Winner . . . and Champion . . .



George Fickas, co-owner of the Lemon Grove Tire Co. at 7319 Broadway, was named winner of the Toastmasters area speech competition held recently at Helix High School Auditorium.

Fickas was in competition with contestants from 8 other area clubs. Category of his talk was "humorous". He will compete for district honors later this month when area winners speak-off at the House of Hospitality in Balboa Park.

Shown congratulating Fickas is John Williamson, Toastmaster Governor of District Five.

Danger Signal Up On Mussels

San Diego Department of Public Health sanitarians have posted mussels quarantine signs on San Diego County beaches up the coast to Oceanside, Dr. J. B. Askew, health officer, reported.

The State Department of Public Health puts mussels along the entire California coast under quarantine as unfit for human consumption every year from May 1 through October 31, Dr. Askew said.

He explained that the mussels became poisonous when they feed on plankton present in ocean waters off California in the summer and early fall months. The poison produced by the organism is one of the strongest known to man.

The State quarantine prohibits the sale of mussels except for fish bait, Dr. Askew said. Mussels sold for bait, he added, must be broken open and packaged in containers clearly marked "unfit for human consumption."

Clams are also subject to summer poisoning, Dr. Askew added, but to a lesser degree than mussels. He said that although they are not under quarantine, only the white meat of clams is safe to eat. Poison, when present from May to October, collects in the dark parts of the clams and these parts should be thrown away.

Dr. Askew emphasized that clams should be taken only from areas free from sewage contamination and should be thoroughly cleaned and washed before cooking.

Neighbors Along Campo Road

By Laura Bohm

The Wedding Bells ring out June 22, for Sylvia Rose Helton, better known as Sue. Mr. and Mrs. Lewis T. Helton of Barrett are losing their daughter to Willis Le roy Marshall. Willis wears the Blue Uniform for Uncle Sam, and hails from Kansas. To this pretty girl, and handsome young man, go our Best Wishes.

Alvin Glover is home from Japan where he has been stationed for over a year, reports his father, Walt Glover. Alvin, his wife Betty and their three children are residents of El Cajon. However, we of Duzura expect to see Al around now and then during his forty-five day leave.

Mrs. Lillian Camp last month flew to Milwaukee, Wisconsin to visit her sister, Mrs. Sam T. Swanson. Return date, April 30. Also the Turner Pages left April 15 for Kingman, Arizona to visit Turner's parents. Before they return they plan to tour Nevada, and glance across the Grand Canyon.

The Home Center met recently at the home of Mrs. John Rose, on Marron Valley Road. Mrs. Kenneth Hostetler of Jamul, spoke on Nutrition and Value of Food Buying....in other words, pounds and pennies can be saved and turned into Energy, if the women of the house is educated in food values.

When the food question was settled, the ladies were free to admire the eleven room home of the Roses. What I especially coveted was the old-fashioned pantry, and the small wood cook-stove that sat almost in the center of the kitchen. Of course, there too, was the modern white electric range.

Out side the lilacs bloom in profusion, and the rose garden, I believe, is the most beautiful in Dulzura. One Herbert Hoover rose is over 15 feet high.

The Rose home is up for sale. "Too large to keep up," they say. The Roses have had the place for 14 years.

We will soon be saying "Fare-

DICK THOMPSON TO OPEN DIAL DRUG STORE HERE

Tentative "Grand Opening" for the new Dial Pharmacy, 7961 Broadway has been set for the first week in June, Dick Thomson, the store's owner, said this week.

The store, in a spanking new building built expressly for Thompson by Ted Mangano, is on the south side of Broadway at the Grove Street Freeway access road. To further identify the location, it is just east of Lemon Grove Post Office.

There are 3,200 square feet of floor space in the store, Thomson said, and a parking area that can be reached from either Broadway or Golden Avenue. The lot can accommodate approximately 50 cars.

At the opening, the exact date of which will be announced later, prizes and souvenirs will be given. Samples of cosmetics will also be distributed during the opening celebration.

Thomson, a graduate of the University of Utah College of Pharmacy has been a pharmacist in Lemon Grove since he completed his training in 1954. This is his first business venture on his own.

Thompson said he would handle all first line cosmetics and drug sundries. A completely modern prescription department will be one of the store's features. Prudential Stamps will be distributed by the store.

Free delivery will be given night or day, he said.

WASHINGTON SUMMARY
by ED KOTERBA

JUNKETING CONGRESSMEN

Here's a note of irony: Congressmen returned to the Capital after their Easter recess to resume demands that the budget be cut . . . More than two dozen of these same legislators used their vacation to spend taxpayers' money on junkets to Paris, Vienna, Italy, London and Panama.

The trips were listed as "official inspection visits."

FOOLING THE PUBLIC

Most of the highly-publicized budgets cuts being voted in the House of Representatives will be quietly restored.

The cuts not restored by the Senate will eventually be made up in "deficiency" bills (such as the recent postoffice payment of $41 million).

Here's an idea of what happened last year:

The President's budget request totalled $60,892,000,000. With a lot of flourish, the House cut it to $48,584,000,000.

So what did the Senate do? They upped it to $61,259,000,000—more than the original request!

The final outcome was $60,647,000,000—and this did not included a raft of "deficiency" bills.

RACIAL

The National Association for Advancement of Colored People is spending tens of thousands of dollars in direct mail and other promotions to influence people across the country to pressure Congress into voting against federal aid for "illegal segregated schools" . . . If the NAACP gets its way, it would mean no new federal aid to any school next year. . .

Police in the District of Columbia are disturbed by the increase in Negro bands who attack picnickers in Rock Creek Park . . Eight persons were injured by one gang last week . . .

SEN. KNOWLAND'S PLANS

The best-kept political secret in Washington is, "What will Sen. Bill Knowland do next year?"

The California Republican has shrugged off demands that he resign. (The demands began after Knowland said he would not seek re-election). However, insiders say he will quit the Senate early next year to run for governor of California, using that office as a springboard for the Republican nomination for President.

One thing sure, he will receive no support for the governorship (if he runs) from Vice-President Nixon . . . Nixon feels 99.8 percent sure he himself will get the Republican nod in '60.

INSIDE WASHINGTON

Spy Hunt—The Federal Bureau of Investigation is digging for facts in a sensational new spy case . . . Tip came from Mrs. Leon Trotsky, widow of the Russian revolutionist . . .

TRADING STAMPS

A congressional committee will disclose information at hearings in early May that some trading stamp companies have forced the cost of food to go up as much as two percent. . .

FOR SUMMERFIELD

Despite the raft of bitter complaints from the grassroots about Postmaster General Summerfield, there is a quiet admiration in the Capital for the former car salesman . . . . One little-known fact: He turned back to the Treasury $155 million in savings in 1954 and '55.

MINOR NOTES

President Eisenhower has wearied of reading Western novels and watching Western movies—a pastime he was so fond of earlier in his term . . .

Cost of partying has gone up in Washington . . Socialites find that the parties which set them back an average of $265 for 100 guests last year now cost $300 . . .

The President expects to vacation in Denver this summer . . . This would be the first trip to Colorado since suffering his heart attack there.

SUPERVISORS SIT ON SCHOOL LUNCH

Repeated requests to the Supervisors to continue the county school lunch program resulted in the Board's agreement to sit for a decision for this year's program.

Representatives of the San Diego, Chula Vista, South Bay, Lemon Grove, and Oceanside School Districts and the Ninth District Parent-Teachers Association asked the Board to continue the program.

Last year the Board appropriated $18,000 to provide lunches for needy children in the county, and decided to drop the 20-year old program July 1.

The lunch program has been part of the County Welfare Department's general relief program.

RICES BUY 'HEAVENLY CANDY' SHOP

Mr. and Mrs. Al Rice, former operator of Bill's Feed Store at Sweetwater and Broadway have bought the Heavenly Candy Store at 7947 Broadway. They bought the business from Paul and Tish Hill who opened it last year.

The Rices operated the feed business for 6½ years. The couple said the name of the firm would be changed to B 'n L Candy Box.

Mrs. Rice has been active during the past years in the Lemon Grove Woman's Club and the Grove Business Women's League.

Spring Festival Staged By Grossmont High

Grossmont High School's Red Robe Choir and Concert Band will combine efforts in presentation of their annual Spring Concert Friday at 8:00 p.m., in the Grossmont auditorium. Under the direction of Mrs. Merle C. Donohue and Arthur Schuchow, the groups will present a song, dance, and instrumental program of favorites. Edward Fisher, San Diego College Cadet, will direct the glee clubs, and Robert Halvorsen of the GHS drama department is in charge of the dancing and of staging.

Tickets will be available at the door the evening of the concert.

Hegland's Bill Rejected

A bill introduced by Assemblyman Sheridan Hegland, (D-La Mesa), to strip $4,800,000 from funds already appropriated to the California Olympics Commission for 1960 Olympics at Squaw Valley, was turned down. Vote on the Hegland amendment was 24 - 42. Hegland urged that the money be spent on dams or schools.

Other amendments proposed increased the budget proposed by Gov. Knight, ($1,915,569,142) by $3,170,000.

To the ladies:

Bills to outlaw merchandise trading stamps will be heard in State Senate Business and Professions committee May 10. Three bills have been introduced.

Assemblyman Frank Luckel said studies showed six of every 10 families in the state save trading stamps.

Merchants would welcome the prohibition of stamps, we are told. —D.H.

MOTHER-DAUGHTER LOOK-ALIKES TO BE CHOSEN AT CHURCH

The oldest Mother and the Mother and daughter who resemble each other the most will be recognized in the Mother's Day Services at First Baptist Church Lemon Grove this Sunday. Corsages will be presented to the three people selected. The Girls Auxiliary of the Woman's Missionary Union will also have special recognition as they begin their Focus Week on May 12 and continuing through May 19. An Associational Girls Auxiliary Coronation will be one of the highlights of the week.

Grossmont Hospital Ladies Meeting Friday

Telephone committees in the various areas that make up Grossmont Hospital Women's Auxiliary, are urging all members to attend the second general meeting of the year, Friday, 10 a.m., in Friendship Hall, 3130 Main Street, Lemon Grove. It is the last general meeting that will be held in advance of one of the auxiliary's major annual benefits: the Foothills Fiesta, on July 12, in El Nadadero Club, El Cajon. The next general meeting will take place October 11.

Members of its women's auxiliary will assist Grossmont Hospital in the observance of National Hospital Week, at an open house on Sunday, May 12, 2 to 4:30 p.m. All interested persons are invited — especially, those living in the 700-sq.-mile district who have not yet had an opportunity to visit their hospital.

Refreshments will be served in the lobby by members of the auxiliary's hospital committee, of which Mrs. Philip Mountjoy is chairman. Hospital aides ("pink ladies") who regularly serve as volunteer receptionists in the lobby, will act as guides. Mrs. George Conrey is lobby director; Mrs. Robert Justice, hospital aides chairman; Mrs. L. L. Louis, director of volunteers. Mrs. Jens Hutchens is auxiliary president.

Doc Stork's Express Brings Payload Via Grossmont

Old Doc Stork was busy delivering precious packages April 18-24, with deliveries divided evenly as to number between Spring Valley and Lemon Grove.

Mr. and Mrs. H. M. Foot, 2890 Cypress, Lemon Grove, welcomed a girl, 8 lbs. - 10½ oz. on April 19th.

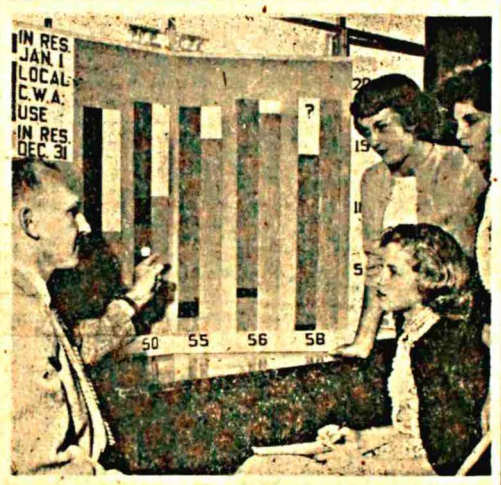
Mr. and Mrs. J. F. Green, 10529 Don Pico, Spring Valley, signed for a 7 lb. boy on April 20.

Mr. and Mrs. N. J. Good, 7823 La Mar, Spring Valley, were the happy recipients of a boy, weight 6 lbs. - 13½ oz., on April 20th.

Mr. and Mrs. G. F. Impala, of 7566 Lemon Avenue, Lemon Grove, signed for a 7 lb. - 13 oz. girl, born April 21.

Mr. and Mrs. H. T. Mukai, 2630 Sweetwater, Spring Valley, received a girl, weighing 5 lbs. - 15 oz., on April 21.

Mr. and Mrs. K. O. Danner, 9158 Rosedale, Spring Valley, proudly signed for a 9 lb. - 12½ oz. boy, born April 22.



The Helix Irrigation district will face a water crisis in 1958 according to the chart that Clarence Watters, chief enginer, is showing to three high school girls of the area. The white space covered by the question mark represents the amount of water that the district will be shy in meeting its needs in 1958, Watters tells Sharon Flack, seated, La Mesa Junior High, and Sharon Reed and Jerry Fite, right, Spring Valley Junior High students. The girls were guests of the district along with approximately 30 other school folks last week on a tour of the facilities.

Car Lot To Be Beautified

Howard Jollett who operates a used auto firm on the property he owns at 7644 Broadway said this week that he is in the process of improving and beautifying the lot.

He said that the old house which had jutted into the set-back area has been removed, a new office building had been put up and that black-topping was being installed. The area under improvement is 100 feet wide on the north side of Broadway between Lemon and Buena Vista Streets.

Jollett started the firm ten years ago in the same location.

Boy Scout Circus Tickets Go On Sale

Sale of tickets for the Scout Circus which will be held in Balboa Stadium June 14, started today following rallies attended by adult leaders in nine districts Wednesday night.

Representatives of the 547 Scouting units in San Diego County were given tickets for distribution to the 20,000 Cub Scouts, Boy Scouts and Explorer Scouts who will sell them and also take part in the Circus.

The circus tickets are $1.00 each for all persons over 12. Those under that age will be admitted free if accompanied by their parents.

☆ Over the years, obedient children have been taught to look up to their teachers. Actually, it would be better, in a physical sense, if they were permitted to look down on them. The children would benefit if they were seated in their classrooms so as to be above the teachers. Turning the eyes upward causes more eye fatigue than looking down.

Suggestion to the Mt. Miguel Hi organizers: Want to form a new type of club at Mt. Miguel? How about a Brotherhood Cabinet composed of three guys and three gals from each race with the idea in mind to promote a better human relations and to iron out any racial difficulties that might occur on campus. Nobody wants racial trouble but in case it should ever arise it would be nice to have preventive medicine on hand. Have the cabinet members selected for their ability and willingness to work toward the brotherhood with, maybe, a motto something like: "All Races, All Religions, All Creeds, All Americans." . . . BEE REGULATIONS PROPOSED BY COUNTY

"How doth the busy little bee improve each shining hour" is next on the "legislation" program, if a proposed County Ordinance recommended by Dean F. Palmer, county agricultural commissioner , is passed.

There is no bee-keeping regulation in this county now. If you have an orchard of few trees or many, you are interested in bees. Real Estate "boomers" have gradually subdivided large tracts of tree-growing land and annexations are now the order of the day.

Twenty years ago the then County Assessor started the "Battle of the Bees" when he insisted, over the protests of various friends of our honey-making little friends, which in addition to keeping San Diego county at the head of the list of honey producing sections of the State's production of this important food, pollinated the blossoms of fruit trees and thus helped the farmers. It was not uncommon to find one or two stands of bees in each orchard.

Mr. Eddy, former County Assessor insisted that these scattered apiaries be assessed at $1 per hive, regardless of the pleas of such naturalists as Carroll Scott, of Pacific Beach, who thought the bees should be regarded as assets and should not be taxed, any more than the grass that decorated the countryside, furnished succulent nourishment to the cows and horses that roamed the fields on their days off.

May 14 has been set by the Supervisors for a public hearing on bee regulation. If you have any opinions in the matter, please attend, we hope to defend the bees. Probably the agitation to regulate bees was started by some irate parent in one of the new subdivisions whose favorite child was bitten by a bee, so lets get rid of 'em.

Orchard sprays, applied at certain seasons of the year, have been tough on the bees, killing them by thousands, thus reducing pollination. Growers of early tomatoes in greenhouses, use a wad of cotton and pollinate their plants by hand.

"Two bees had a race. One trained on honey, the other on Vitamins. Which bee won? Answer—The Vitamin B-1. —D.H.

L.G. 4-H CLUB TAKES 2nd PLACE

While Lemon Grove is not considered a farming community now-a-days, some of our young folks, members of Lemon Grove 4-H Club, are making a good start in judging animals, as was demonstrated last week when a crew of eight Lemon Grove young people entered the Animal Judging Contest, Lakeside, at Rocky Home Guernsey Farm, and won second place as Judges.

The affair was under the auspices of F.F.A. Chapter, El Cajon.

The eight members of Lemon Grove Club were: Lorna Jaquith, Mike Jaquith, Shiela Cosby, Mike Cosby, Loraine Lukas, Lynne Tristram, Lorna Walsh, Barbara Cooper.

Judging awards: L. G. took second place overall, second in Dairy; second in Fat Animals; second in Poultry.

Teams: Shiela Cosby, Loraine Lukas, Mike Jaquith.

Loraine Lukas, Individual judging, third place in 4-H girls. Mike Jaquith, third place in Dairy judging. Mike Cosby, second in judging Poultry.

Mr. and Mrs. Buckels, owners of Rocky Home Guernsey Farm, fed the multitude with a barbecued steer. "It was delicious, tender and juicy, cooked just right" one lady told this reporter. Says she will invite me next time.

The Eastern County Showing of livestock will be held in El Cajon May 28.

Auction Day for Beef, Swine and Lambs starts at 7 p.m., Saturday, June 1. The members may show their stock without auctioning their "projects" at this time. —D.H.

GROVE GIRL HAS PART IN WASHINGTON COLLEGE FESTIVAL

A student from Lemon Grove attending Pacific Lutheran College, Tacoma, Wash., participated in the school's annual May Festival last week.

Taking part in folk art interpretations will be Dee Ann Duea, daughter of Mr. and Mrs. Virgil Duea, 7637 Circle Drive.

Little League Field To Be Dedicated

Dedication of the Vista La Mesa Little League ball field will be held May 18th at 1 p.m. with Supervisor Dave Bird representing San Diego County. Following the first flag raising and a short program the first official league games of the Vista La Mesa Little League will feature the Cameron Construction team versus Qualitee Dairy at 1:30 and at approximately 3:30 the Elks team versus the VLM Merchants.

Although this ball field is on county park land it has been built through the efforts and labor of a handful of community spirited men in the Little League and the cooperation of the San Diego County officials.

Tuesday night at the presentation of the new uniforms a large crowd saw a movie "Little League" and met the officials who will be working with the boys this summer. Team sponsors, managers, coaches and team mothers were introduced.

Goodwill Open House Held This Week

"The Goodwill Industries of San County with branches in Lemon Grove and other towns is participating in the observance of National Goodwill Week, which is held throughout the nation this week", Dr. Myron Insko, local executive director announced.

There will be Open House and tours of the San Diego plant and store daily, through Saturday, May 11, from 10 a.m. to 4 p.m. under the auspices of the Goodwill Industries Auxiliary, and the "public is cordially invited to visit our main branch at Fifth Avenue and J Street in San Diego," Dr. Insko said.

STATE SPRING SING DATE SET

The Associated Women Students of San Diego State College are presenting their Seventh Annual Spring Sing on Friday, May 17, at 7:30 p.m. in the Outdoor Theatre on the college campus. Any campus organization may participate. There are thirty-four entries in men's women's, mixed, and novelty divisions. Trophies will be given in each of these divisions. The selections are entirely presented and directed, and often arranged by students, who have been working for several months to perfect their selections.

LETTERS TO THE EDITOR

Dear Editor:

The eighth grade boys who were allowed to visit your newspaper office greatly appreciated your hospitality and willingness to answer our questions. We all got a great deal out of the visit and thank you for letting us come.

Very sincerely,
The 8-6 Class
Jr. Hi School

Dear Editor:

I want to thank you for taking the pictures of our class reunion.

The article you wrote on our class reunion was very nice.

I sent a copy of it and picture to the Grangeville, Idaho, Free Press.

DATE OF VLM PTA MEET IS CHANGED

Vista La Mesa PTA meeting has been changed from May 9 to Tuesday May 14 at 7:45 p.m. at the Vista La Mesa School Cafetorium.

Mrs. R. T. Bullock, president, will conduct the business meeting.

Stanley Rogers, historian, will give a report on this year's PTA activities. The president elect, Mrs. I. L. Arms, will give a convention report. Mrs. Martha Whaley will give "A Look Into the Classroom" on "Variety in Art".

Installation of officers for the 1957-1958 year will be by Mrs. J. Allen Hodges, past president of Ninth District PTA.

Parents of Miss Pavlovec's and Mrs. Berdehl's Kindergarten rooms will serve refreshments during the social hour.

MRS. WHITLOCK SEATED AS SORORITY PRESIDENT

Mrs. Charles Whitlock, of 2870 New Jersey Street, Lemon Grove was installed as president of Theta Omicron Chapter, Beta Sigma Phi last week. Installation ceremonices followed a dinner party at the home of Mrs. Paul Ward 206 Noden Street.

Mrs. G. A. Bridgewater acted as installing officer. Other officers installed were the following: Mrs. James Mathison vice president; Mrs. Robert Adolph, recording secretary; Mrs. Charles Olson, corresponding secretary; Mrs. Harold McDermott, treasurer, and Mrs. Walter Fulkerson, extension officer.

TROPHY TIME FOR PUBLIC SCHOOLS WEEK WINNERS

Dr. Calvin Nicholl, right, makes presentation of awards to local school youngsters who took top place in Lemon Grove schools in an essay contest sponsored by the Lemon Grove Masonic organization.

Winners are Edward Lebb, 12, 468 Lois Street, VLM; Janice Fukushima, 11, 2805 Massachusetts; Lucinda Danielson, 9, 4003 Charles Street and Douglas Martin, 1610 Fairfax Drive. Diana Rank was not present for the photo but won a trophy, too.

'CONSOLIDATION' GROUP FAILS IN FUNDS TRY

The Public Agencies Council, recently formed organization, which met in Michael's Cafe Wednesday night, received word from Attorney William Jennings that they would not be able to get financial support from various agencies in the area.

However, Dr. Cyril Padfield, said the organization is not discouraged, that they have enough funds for their present needs, for sending out notices of meetings, etc.

The P.A.C. does not want the people of the area to get the idea that the organization is just another tax agency. Dr. Padfield said the organization is set up to try to save money for the taxpayer by such means as the consolidation of elections and bond issues. He pointed out the fact that there are two small elections coming up in this area, in the near future; the Grossmont Hospital election for asking permission of the taxpayers to use money now in a fund to build on to the hospital. The second election is for two candidates to be elected to the Board of Education of the La Mesa-Spring Valley School District.

Dr. Padfield said if these two elections could have been consolidated, the taxpayers would have been saved considerable. The last Hospital election cost the taxpayers about $12,000.

Members of the P.A.C. know that to reach their goal much time will elapse, but they intend to keep "plugging along" until that goal is reached. It is their intention to get more persons in the area interested in the organization's policy.

The P.A.C will not hold its next meeting until Legislature recesses. At that time the organization hopes to have Assemblymen Jack Schrade and Sheridan Hegland to speak on what progress has been made in Sacramento regarding the consolidation of elections. It is also hoped that Supervisor Dave Bird will be on hand to hear and take back to the other supervisors the idea of election consolidation. The Agencies Council feels that if the Supervisors groups throughout the State will get behind its movement that maybe more cooperation will be forthcoming from legislation.

Jrs. To Install Mrs. Tom Mitchell

By MRS. B. A. BETTS

Tuesday evening at 7:30 oclock, the Lemon Grove Womans Club Jrs. will hold their installation of new officers, preceded by a potluck dinner.

Installing of our new officers will be in the capable hands of Mrs. Walter Shimp, Senior Coordinator of the Lemon Grove club, and Mrs. Ralph Richardson, Senior Co-ordinator for San Diego District Federation. New officers are: Mrs. Tom Mitchell, president; Mrs. Albert Schuh, 1st vice president; vice presidents at large, Mrs. Gene Johnson, Mrs. Roy Adams; recording secretary, Mrs. Roe Kickbush; corresponding secretary, Mrs. Bennie Jones; treasurer, Miss Margaret DeRose; parliamentarian, Mrs. Billy Castle.

This Saturday, May 11, the famous (?) Musicale will be presented as part of San Diego District first convention. Awards will be presented for work done during the year the Lemon Grove club hopes to bring home several awards. The state convention will be held in Los Angeles May 24 and 25. Several of our members are planning on attending.

Lee Clapham Opens Piano Studio

Lee Clapham, resident of this community for the past ten years, has opened a piano studio at 3492 Main St., upstairs and above Lemon Grove Stationers and Goodwill Store. His is one of the several studios that will open there soon, as part of the Coady School of Music, Heartland Branch.

Lee first started teaching piano seventeen years ago. Over the years he developed a chord method. This course includes specialear training for those who desire to play without the aid of written music.

He teaches the modern classical course to the little ones. Presently, he is encouraging each of them to make the necessary effort to qualify for participation in the Ninth Annual Piano Festival in Balboa Park.

Jr. Hi PTA Hears Varied Reports

Executive board members of the Lemon Grove Junior High PTA met earlier this week in the school cafetorium with Mrs. Chas. Taylor presiding.

On the agenda for discussion was the P-TA's part in the graduation exercises of the eighth grade students, the dinner meeting of the present board members and the newly appointed 1957-58 executive board to be June 4th, and plans for the final association meeting.

It was announced that County Fair tickets are now available through the school.

Hostesses were Mrs. Harold Perkins and Mrs. T. H. Kinnersley.

SM PTA DEFERS MEET ONE WEEK

The Regular monthly meeting of the San Miguel P-TA has been postponed until Thursday, May 16. Mrs. J. E. Engelstad, president, will be attending the State Convention of the California Congress of Parents and Teachers at Long Beach this week and hopes to bring back pictures to show the Association when she reports on the many activities and conferences of the convention.

The meeting next week will be the last Association meeting of this school year, and a program featuring recreation activities for the summer has been planned, and it is hoped that many members will be present.

Telco Expects Mother's Day Record

Pacific Telephone has completed plans to handle an all-time record in Mother's Day long distance telephone calls next Sunday.

The company expects more than 300,000 out-of-state calls will be placed by customers in Southern California and that more than 72,000 of these will be completed. This will be 19,000 more than last Mother's Day.

In anticipation, 259 additional long distance circuits have been installed and all positions on the company's toll boards will be filled by especially trained operators.

Pointing out that telephone circuits are engineered to handle normal loads, company traffic experts said the unprecedented volume will cause delays in getting out-of-state calls through. They asked that customers (1) follow the advice of operators in later attempts and (2) make calls on Thursday, Friday or Saturday evening or Monday evening when rates similar to Sunday rates are in effect.

Sister Of Dr. Shea Is A Local Visitor

San Diego County is over-run with Sheas and we have the word of the Lemon Grove dentist Dr. Peter Shea to prove it.

He says there are 5 Shea boys and 5 girls, brothers and sisters, and that at a recent reunion there were 40 Shea cousins, aunts, nieces, nephews, brothers and sisters and so forth running around his house. His house is at 2362 Golden Avenue, in the "wealthier" part of town.

Pete's a pretty good dentist, too.

Mary Rose Squire, his youngest sister, and probably the prettiest, was in town this week enroute Ft. Bliss from Chicago. Her husband is Captain Max E. Squire, a logistics officer who is being transferred. After Mary Rose and the couple's son Johnny, 6, complete their visit here they will head for Texas where they will live until Captain Squire is transferred again.

Utt Claims Interior Dep't 'Jumped Gun'

Congresman James B. Utt, (R-28th District), Lemon Grove's Congressman, has charged the Interior Department jumped the gun when it awarded a $107,955,522 contract to build the Glen Canyon Dam on the Colorado River.

The department announced Tuesday the Glen Canyon contract was awarded to the low bidder, the Merritt, Chaman and Scott Corp. of New York.

Utt, a member of the House Interior Committee, pointed out Congress has not yet appropriated funds to finance the early phases of construction.

The project is the first of a series of dams, reservoirs, and canals authorized by Congress for the upper Colorado River storage program.

The administration has asked for $27,000,000 in fiscal 1958 to finance a start on the dam construction.

Last year Congress put up $9,000,000 to finance the building of roads and bridges requir; ed to support the Glen Canyon project.

Utt accused the Interior Department of awarding the Glen Canyon contract ahead of time so it could come to Congress and say: "We have awarded the contract, so now we must have the money."

The Congressman, whose 28th District included part of San Diego county, had called on Secretary of the Interior Fred A. Seaton to delay awarding the contract until an independent engineer's board had determined whether specifications were legal.

The Colorado River Board of California, headed by Fred W. Simpson, of San Diego, asked Utt and Senator Kuchel (R-California), to block the contract award.

History Classes Comb Valley

Historical Adult Education classes from the Freemont, Marston and Pacific Beach Schools, last Monday evening, gave Spring Valley the "once over" as they toured the Valley in search of information about its history. The groups, under the direction of Mr. Ben Dixon, were led on the tour by Mrs. Eileen Smith, Spring Valley historian, and Mrs. Betty Seymour Robinson, writer and producer of the Spring Valley pageant which was presented on the Chamber of Commerce grounds last October, during the old adobe house's Centennial.

Following the tour, the Historical group enjoyed a potluck supper in the Chamber of Commerce Hall with the Chamber officers and members. They stayed for the Chamber meeting which started at 8 p.m. Forty-two members comprised the Historical group.

Ben Dixon, spokesman for the group, told a little bit about the activities of the Historical classes. He said the groups were organized in 1951, and each year since the classes have grown larger and stronger. He said the groups make field trips each year to different historic sites in the County and gain whatever information possible. There is a meeting every Wednesday evening in the Freemont School in San Diego and interested persons are welcome to attend. Next year, Mr. Dixon pointed out, the group hopes to branch out into the county and to take in more students interested in San Diego County history.

Shearer Gets Nod For Top GOP Job

Dr. Frank Lowe, Chairman of the Republican Central Committee, announced this week that William K. "Bill" Shearer has ben selected as Executive Director by the Central Committee. He is a former Secretary to Congressman James B. Utt, who represents a portion of San Diego County. Shearer also worked for the Central Committee in 1952 as precinct organizer. He was a candiate for Assemblyman last year in the 77th District, pulling over 48 percent of the votes.

Dr. Lowe said that the Central Committee will continue at its present headquarters location, 1575 Sixth Avenue. The Central Committee phone number is BE 4-3357.

4300 KIWANIS CLUBS LISTED IN DIRECTORY

A Dispatch from Evanston, Ill., states that the 1957 Directory of the Kiwanis International lists a total of 4300 Kiwanis Clubs in the United States and Canada.

Nothing was said in the dispatch about the Kiwaniannes, (wives of members).

Lemon Grove Kiwanis Club has 40 members.

SHOP PRESIDENT

Mrs. William (Mary) Clark, second vice-president of the S.V. Valley Chamber of Commerce, has been elected president of the Spring Valley Economy Shop, at Bancroft and Golf Drives, according to a report given at the Chamber meeting. She was formerly vice-president.

RECITAL

The Jean Eskridge School of the Dance, under the direction of Mrs. Jean Eskridge, has scheduled its annual Dance Recital for Friday, June 7, in the Spring Valley Elementary School. There will be a small charge for admission, with the proceeds going into a fund to help restore the old adobe house on the Chamber of Commerce grounds.

Mrs. Eskridge, who was present at last Monday night's Chamber of Commerce meeting, called for volunteers among the members, to help her put on a program for the Highway 94 Club at its May meeting. Several volunteered and rehearsal started last week.

DANCE

With the combined efforts of several square dance clubs, which meet in the Spring Valley Chamber of Commerce Hall, there is to be a "Tax Payment" Square Dance Saturday night, May 18. Money from the dance will go toward the payment of taxes for the Chamber of Commerce property.

A "Flap-jack breakfast" will be server about 11:00 p.m. by several of the Chamber of Commerce men and women.

SIGN ?

Mrs. Betty Seymour Robinson, Secretary of the Spring Valley Chamber of Commerce, some time ago, wrote a letter to the California Division of Highways, asking "how come" there are no signs on the new freeway (other than one) that indicated the mileage to Spring Valley.

The letter she received in reply stated that it was not the intention of the Highway Department to ignore Spring Valley. The letter further stated that future plans call for the improvement of Highway 94, and the plans include illuminated signs with words "Spring Valley."

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Specifications. All Plans and Specifications shall be returned to the District, whether or not a bid is submitted.

No bid will be accepted from a Contractor who is not licensed in accordance with the law under the provisions of Division III, Chapter 9, of the Business and Professions Code of the State of California.

The said Board of Directors reserves the right to reject any or all bids and/or waive any irregularity in a bid.

DATED La Mesa, California, April 16, 1957.

By the order of the
Board of Directors

HELIX IRRIGATION DISTRICT
By Margaret C. Penry, Secretary.

LG Review—April 25; May 2 and 9, 1957.

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Helix Irrigation District, acting by and through its Board of Directors hereinafter referred to as the "Owner", will receive up to, but not later than 9:00 A.M. on the 28th day of May 1957 sealed bids for the award of contract for the furnishing of all labor, materials, tools, expendable equipment, and all utility and transportation services necessary for the construction of the following, to be located on portions of lots 8 and 9 of Block 28 of Fletcher Hills, Unit No. 2, City of El Cajon, State of California: Yard Office Building for the Helix Irrigation District.

Bids shall be opened and publicly read aloud at the above stated time in the Board Room of the Helix Irrigation District, 4769 Spring Street, La Mesa, California.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Plans, Specifications and all other Documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and open to public inspection in the office of the Architect, Room 1, 4730 Palm Avenue, La Mesa, California, and may be obtained by depositing $15.00 for each set. This deposit will be refunded if the set or sets of Contract Documents delivered are returned in good condition within ten (10) days after the bid opening.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or a satisfactory bid bond in favor of the Owner executed by the Bidder as Principal and a satisfactory Surety Company as Surety, in an amount not less than ten (10%) percent of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the Bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds as specified therein within five days after notification of the award of the contract to the Bidder.

It is especially called to the attention of the Bidder that the total time granted for the completion of said work shall be 120 calendar days after notification to the Contractor to proceed.

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Contract Documents.

The Owner reserves the privilege of rejecting any or all bids, or to waive any irregularities or informalities in any bid or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334 inclusive, Government Code.

The Owner has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workmen needed to execute the contract, which will be awarded to the successful Bidder, to be as follows:

FOREMAN

CEMENT MASON, IRON WORKER, LABORER, OPERATING ENGINEER & TRUCK DRIVER FOREMAN shall be paid not less than 25c per hour more than the hourly rate of the highest classification over which he may have supervision.

CARPENTER FOREMAN: The hourly rate for bona fide foreman shall not be less than 25c higher than journeyman's rate.

The foregoing schedule of per diem wages is based on a working day of eight hours. The wages of every laborer and mechanic engaged in work on the project shall be computed on a basic day rate of eight hours per day, eight hours of continuous employment except for lunch periods, constituting a day's work when a single shift is employed, and seven and one-half hours of continuous employment, except for lunch periods, constituting a day's work when two or more shifts are employed.

OVERTIME:

Subject to the exceptions hereinafter noted, work in excess of eight hours per day shall be permitted upon compensation, when a single shift is employed, at one and one-half times the basic rate of pay for all hours worked in excess of eight hours on any one day, or at any time during the interval from 5 P.M. Friday to 7:00 A.M. Monday, or on holidays and when one or more shifts are employed, at one and one-half times the basic rate of pay for all hours worked in excess of seven and one-half hours on any one day or at any time during the interval from Friday midnight to Sunday midnight.

EXCEPTIONS:

CARPENTERS' rate is double time for all overtime.

CEMENT MASONS' overtime rate is time and one-half for the first three hours of overtime in any one calendar day, and double time thereafter.

OPERATING ENGINEER'S overtime rate is time and one half; double time on Sundays and holidays; and double time whenever Operating Engineers are working on any project where members of other crafts (on the same project) are receiving double time rate.

REINFORCING IRON WORKERS' rate is double time for all overtime.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Attention is called to the fact that a list of proposed sub-contractors must be submitted with the bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date for the opening of bids.

TRACK HONOR ROLL

Following are the San Diego prep atheletes who made the annual track honor roll of Southern California: 100-yard dash, Buchanan, Kearny, :09.7; 880-yard middle-distance, Cerveny, Mission Bay, 1:55.9; 180-yard low hurdles, Staten, San Diego, :19.2; shot-put, Verdon, Hoover, 60 feet 10 inches; and high jump, Hayes, Lincoln, six feet four inches. . . Out of a possiibility of 12 record performances, Helix took seven top efforts in seasonal Metro league top marks. Helix was the number one school in 100 and 220-yard dashes (Ernest), 120 and 180-yard hurdles (Barsotti), High-jump (Edenfield), Broad-jump (Brown), and 880 relay (Barsotti, Rockhold, Smith, Ernest). . . and as usual the top marks in track were recorded in the City league with the Metro, Avocado and Southern league following in that order!

NEW GOLF HOUSE

Bonita's new golf clubhouse will be ready in a matter of just a few weeks . . . The San Diego County Quarter Midget Racing Association is sponsored by the College Center Optimist Club. . . . The T-Timers, Inc., Club is for boy's 16-years old and over and stresses safety on the public highway for hot rodders. . . . Last year 80,000 fisherman competed in the annual Yellowtail Derby.

MATADORS STRONG?

Will Mt. Miguels first-year varsity pigskinners be strong? With head coach Tom Welbaum at the reins with such players as All-Metro center Jim Osborne and All-Metro guard Dick Cook paving the way—who knows? With half of Helix's unbeaten JV team at Mt. Miguel, with every able-bodied young man who craves the sport and with a spirit that can't be beat — who knows? It's there—use it! . . . . It's a matter of records that Bill Ernest turned in a :09.7 100-yard dash clocking at last year's SCIF semi final track meet—but the interesting part of it was that he was the second man in California prep track history to attain such a record as a sophomore—the other sprinter was 1956 Olympic sprinter Leamonn King! . . . Gary Dunn has flipped the javelin 183 feet. His college coach will probably "adopt" Dunn who is an excellent football player, hurdler and shot-putter . . . Some pro baseball scouts are interested in Helix centerfielder Ron Palermo who has a rife-arm. . . . and then there's the one—They never win regattas nor take a racing cup; for every time the chips are down they find their bottom's up!

KUCHEL TO NAME TEN YOUTHS TO 'ACADEMY'

WASHINGTON (Spcl)—United States Senator Thomas H. Kuchel has announced that competitive examinations will be given July 15 for young men seeking nominations to the United States Air Force and Merchant Marine Academies with classes to enter the summer of 1958.

Senator Kuchel has the privilege of nominating 10 aspirants for consideration by the Air Force and the Maritime Administration as members of the class to begin the courses next year. The Senator's choices will be made late this year following reports on the scholastic and physical examinations.

Competitive tests will be given in San Diego by the United States Civil Service Commission. To obtain admission to the examination, each candidate must notify the Senator not later than May 15 the place where they plan to take it.

RECENT SPORTS RESULTS . . .

HIGHLANDERS

Thanks to the hitting and pitching of John Wible, Helix's versity horsehiders defeated league leading Chula Vista, 6-3. In the Metro League preliminary races Helix placed 17 men in the A division; 10 in the B class; and placed six "Cees."

AZTECS

The State College net team continued their winning ways with a 7-2 victory over the University of California at Riverside and a likewise score over Arizona State at Tempe. The Montezuma baseball unit edged L.A. State, 11-10 and twice defeated Fresno State, 6-4 and 4-0. State's golfers placed fifth in the annual Palm Springs Southern California Intercollegiate Golf Play-offs. USC finished first for the seventh straight year!

KNIGHTS

Winning three and losing one isn't a bad average and that's just what S.D. JC's baseball team did, thus remaining near the top of their Metro League. The Knights dropped a 9-6 decision to East L.A. JC, then returned an hour later to become victorious by a 5-3 score. They defeated Bakersfield twice, 5-4 and 9-2.

OTHERS

In baseball Grossmont High dropped St. Augustine, 9-1. Saints unpredictable tennis team got smashed by Hoover, 7-0 but in turn smashed Mission Bay, 7-0.

well" to Ed Lewis's....they have sold their home, after living in Dulzura about 12 years. They will return to Utah. Ed's "Happy Hunting Grounds." They have purchased a home in Touquerville, and from what the Lewis' say, it is a cozy little home in a cozy little town. They have been fine, solid citizens and we shall all miss them.

Joe Zack and his wife Eileen have purchased the Ed Lewis home and expect to be moving from Rancho Mocogo during the first week in May. Joe Zack is a mechanic at the Pearson Ford Co., in San Diego. We welcome them in our Community and hope they will be happy in their "Little Pink House on the Hill."

Justine McCloskey, visited his mother, Mrs. Pearl McCloskey, during Easter Vacation. With him, from Cal-Poly were three fellow students; Richardson Tomlison, Geary Norson, and James Zeno. And here so close to the Mexican Border it did not take long for the four young men to "Go To The Dogs." Second to tramping the Hills they found the Dog Races the most relaxing.

Did you Know That....The John D. Weatherbie's have moved from Dulzura to Camp Minnewawa...That the DeHart's' place has changed hands, with Herb Blound the new owner....that Mrs. Marie Lewis and son are residents here again....the Mason Boards have joined the Station Wagon Set; it's done in Black and White ....the last rains gave an inch and a quarter, according to Earl Keller....that School Board Election is May 17....that Mr. and Mrs. Ben Johnson have decided to settle down at the Sperry's.....that the Arnold Hunsberger house and garage looks as cool and fresh as Strawberry ice-cream.... that Dulzura has a population of 286 not counting Pets?

SV-LG PONY LEAGUE TO OPEN WITH TRIPLE HEADER

The Lemon Grove-Spring Valley Pony League opens it's season on Sunday May 19th with a triple-header at it's new field at Mt. Miguel High School near Jamacha and Sweetwater Roads.

The players have had several good practice sessions and are rounding out in good condition.

Approximately $140 went into the league coffers as a result of an auction pie social by the ladies' auxiliary. Funds will be used to pay incidental expenses of the league.

Coaches and managers were assigned during a business meeting late last month.

some 150 scientific displays prepared by students from kindergarten on up.

These displays were in two classes—plants and machinery—and I was awed by the planning and workmanship that went into them. John Thill, 5th grade student who lives at 8295 Golden Avenue was demonstrating a device which showed the workings of a jet, a ram-jet and a jet-turbine. He had a pump arrangement to prove air pressure theory and fact.

Brenda Holmberg, 4th grade student who lives at 8224 Golden Avenue made a genuine radio receiver, and it worked, too. Donald Nottingham, 5th grade student showed a device he made which demonstrated the difference between alternating and direct current. His pop works for the telephone company.

Frank Sanderson, 3rd grader, lives at 2553 Arcadia and had a real live king snake on display.

Linda Cole, 7886 Church Street, a 4th grader, had an atmospheric pressure display by which she was able to show the variance in pressure. This she made with a candle, a glass and a pan of water.

Pleased Parents

People are happier than most of us suspect in being able to take part in these projects.

As one mother was able to point out pridefully, "My daughter had an important part in it (Science Fair). She is a committee chairman of the group on pulleys."

If we have grown a little to blase as adults and parents, let us remember that the pulley is actually an important scientific device. It may be that we take these long-established developments for granted—just as some of us have done in the instance of public schools.

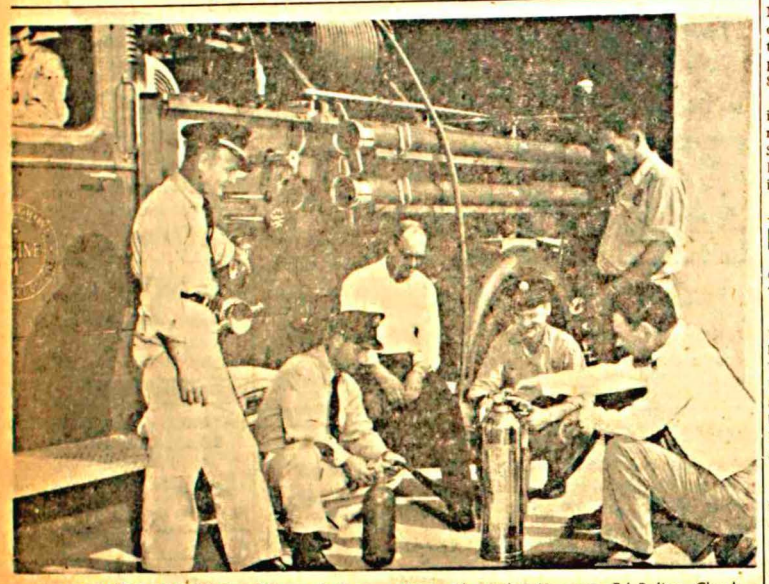
11 Times In Row For Dr. Gigliotti

The Rev. Dr. Frank B. Gigliotti, 3785 Riviera Drive, Lemon Grove, has been reelected vice chairman of the Commission on Evangelical Action of the National Association of Evangelicals for the 11th straight year.

Dr. Gigliotti was to have flown to Washington this week to institute a program for the Commission but illness of his son Bob prevented the trip, he said.

He was named by the association's convention which was meeting in Buffalo, N. Y. 34 Protestant denominations are represented by the group.

Ten years ago Dr. Gigliotti headed a group within the Commission on Evangelical Action which was responsible for writing the religious freedom provisions for the then new Italian constitution.



FIREMAN'S DAY—National Fireman's Day was marked in Lemon Grove with an all day program of events which included an "Open House," demonstrations and refreshments for visitors.

The Day was sponsored by the Lemon Grove Chamber of Commerce. Taking part in a demonstration at the firehouse are: Captain Harry Alexander, Hoseman Ed Bolieu, Chuck Johnson, Jaycee chairman of the event (he is also a fire department callman) Hoseman Bernard Griggs and Jaycee Committeeman La Verne Fritz and Bill Van Dusen.

HIS COMPLAINT

Minneapoulis, Minn. (Spcl)—Stopping to watch a swimming muskrat, George Shabatura, 11, became bogged in soft mud. It required the efforts of a rescue squad, a fire department ladder company and park board rescue squads to pull George from the mud. George's only complaint after rescue was that the whole commotion made him miss his favorite TV show.
